**Gallery East Featured Artist:  
Roger Parsels**  
Kathy Tomlinson, Ext. 5930

We are excited to feature long-time Villager Roger Parsels! He and his wife Doris are now Personal Care residents; his love of art began early – certainly by fourth grade. He was chosen to participate in a nationwide contest for school students. In high school he was able to study both art and music.

A graduate of Nyack College, where he majored in music, his journey led him to Gettysburg HS in 1964, where he became the head of the music department until his retirement in 1993.

Continuing his love of creating art led him to enter the annual duck stamp competition! Notably, he tied for second place one year! Several of the small pieces on display were the basis for greeting cards.

After moving to CKV, he started a brass quartet, which led to the Village Brass; he also led the chimers. Roger often adapted music arrangements to meet the needs of both groups.

We have been able to feature Roger's wonderful art various times over the years and welcome him back to Gallery East. He has also participated in "Avenue of the Arts" exhibits.

Sadly, none of his work is for sale.
