Residential Living Leadership Update

Jay Rohrbach and Jennifer Holcomb

Cross Keys Village is pleased to announce that Sarah Winter has accepted the permanent role of Residential Living Administrator following her service in an interim capacity.

Sarah has provided strong leadership and support to residents and team members during her time as Interim Residential Living Administrator, and we are pleased that she will continue serving in this important role permanently.

As part of this transition, Cross Keys Village will begin recruiting for a new Director of Village Health Services, a position that will report directly to Sarah. This alignment will strengthen coordination between Residential Living and Village Health Services while supporting a more integrated approach to resident wellness.

In addition, Sarah will now report to Jennifer Holcomb rather than Jay Rohrbach. This organizational change is intended to better align operations with the wellness objectives of Cross Keys Village and further strengthen our commitment to helping residents age in their preferred place.

Sarah's experience leading Village Health Services, combined with her success as Interim Residential Living Administrator, positions her well to lead Residential Living into the future.

Please join us in congratulating Sarah on her well-deserved appointment and thank her for her continued dedication to enhancing the resident experience at Cross Keys Village.

New Foundation Team Member

Mike Kovacs, Ext. 5204
VP of Foundation

Please join us in welcoming John Mackey as the new Director of Development for The Brethren Home Foundation!

Before joining Cross Keys Village, John served for 10 years in pastoral ministry, where he developed a passion for building meaningful relationships and serving others. He now brings that same relationship-centered approach to his role as Director of Development and is excited to help advance the mission of Cross Keys Village through philanthropy, donor engagement, and grant writing.

In his role, John will focus on cultivating relationships with donors, supporting fundraising initiatives, and pursuing grant opportunities that help strengthen our community. He looks forward to getting to know our residents, villagers, team members, families, and supporters while helping ensure Cross Keys Village continues to thrive for generations to come.

We are thrilled to have John join our Foundation team and become part of the Cross Keys Village community.

Twelve Teams, Two Days, One Championship

Jenn Vintigni, Ext. 5303

Director of Wellness

Twelve teams competed over two days in this year's Summer Doubles Billiards Tournament, enjoying great competition, teamwork, and plenty of memorable shots.

After an exciting tournament, it all came down to the championship match as Randy Inskip & Larry Breukelman faced Tom Richards & Bill Cole. In a hard-fought final, Tom Richards & Bill Cole claimed the Summer Doubles Championship.

Congratulations to our champions and to all of the teams for making this year's tournament a fun and successful event. We look forward to seeing everyone back at the table for the next tournament!

Hydrant Flushing

The Maintenance team will be conducting the annual hydrant flushing from July 20 until July 23. Villagers may experience discolored water during this time. Please run your water until the discoloration clears.

Harmony Café Change in Hours for Chicken BBQ Day

Cheryl Ditzler, Ext. 5281

RL Dining Operations Manager

The Harmony Café will be open for breakfast on Saturday, August 8, from 8:00 to 10:00 am and will be closed for lunch to encourage support of The Friends of CKV Chicken BBQ. Be sure to pre-order your chicken dinner by Tuesday, July 28, and enjoy this community event!

Sprinkler Inspections

BPFE will be onsite conducting sprinkler inspections of all the commercial buildings on campus, including Harmony Ridge and Hearthside, on July 27 & 28. Villagers and team members should treat any alarm that occurs during this time as a real event. We do not expect BPFE to need access to any Villager homes. However, Villagers will be contacted individually should entering your home become necessary.
