CKV-1908 Decorative Plates Available!

We heard your requests, and we are excited to announce that the “CKV - 1908” decorative license plate, highlighting our 118-year heritage, is now available.

The decorative license plates will be available beginning August 5 in the Almost New Shop for \$20 each. Plates may be purchased during the shop’s regular hours while supplies last.

A special thank you to The Brethren Home Foundation, which generously funded the initial purchase of these decorative plates.

Coffee & Conversations Follow-Up CKV Executive Team

We appreciate the participation in the Coffee & Conversations session. We value the feedback and suggestions shared and wanted to provide another brief update on several topics discussed.

Driving Safety: We are working to bring an AARP-approved driver safety course to Cross Keys Village. In addition, our Memory Support team is planning educational sessions focused on dementia and safe driving.

Veteran Resources: We are exploring opportunities to connect residents with local veteran services, including the possibility of presentations from Adams County Veterans Affairs on available benefits and programs.

Clinical Documentation: We recently reviewed documentation expectations for our clinical teams and are implementing strategic changes aimed at improving efficiency and reducing administrative burden.

Community Outreach: Our Healthcare Center

Admissions Counselor has resumed hospital outreach visits to strengthen relationships with community healthcare partners and increase awareness of Cross Keys Village services.

We appreciate your engagement and look forward to continuing these important conversations as we work to enhance the resident experience across our community.

Supporting Our Local First Responders

Jenn Vintigni, Ext. 5410
Director of Wellness

On Saturday afternoon, August 1, the East Berlin Fire Company will use our Aquatic Center for specialized training. Villagers may notice emergency vehicles outside the Wellness Center during this time. Please be assured that this is a scheduled training exercise and there is no emergency. We are pleased to support our local first responders as they strengthen their skills and prepare to serve our community.

Special Books for America’s 250th

Diane Glotfelty, Ext. 4801

The Harmony Ridge Library Committee has gathered together a number of books about the history of our nation in celebration of America’s 250th birthday. They are located on the top left shelf as you leave the lobby for the cafe (above the “Series” books). You can’t miss them; just look for the red, white, and blue cover on the shelf. As regular library books, you may check them out and return them as usual. Of particular interest are two on women during the American Revolution, as well as copies of the Declaration of Independence, the Articles of Confederation, and the Constitution. Happy Birthday, America!

Reflections Group Welcomes New Facilitators Nikki Bull, Ext. 5294 Life Enrichment Specialist

Cross Keys Village is pleased to welcome the volunteer group “Three Retired Teachers” (Nanci Mart, Deb Smith, and Marcia Knorr) as the new facilitators of the Reflections group. Bringing years of educational experience, a love of learning, and a passion for meaningful conversation, they look forward to guiding the group through its next chapter.

The facilitators will continue exploring the works and topics currently being discussed before gradually expanding into new areas of interest and discussion. Their goal is to encourage thoughtful dialogue, shared perspectives, and engaging opportunities for learning and reflection.

The August 18 session will serve as an introductory gathering where Nanci, Deb, and Marcia will share a bit about themselves, learn more about participants’ interests, and lead a conversation about the vision and possibilities for the group moving forward. All are welcome to join this exciting new beginning for Reflections.

CKV Policy Update Kelley Mitchell, Ext. 5245 Chief Administrative & People Officer

Cross Keys Village – The Brethren Home Community has established a United States Immigration and Customs Enforcement (ICE) policy outlining the appropriate steps to take in the event of an ICE investigation, audit, inspection, or enforcement action. The purpose of this policy is to ensure compliance with applicable immigration laws, safeguard the rights of our employees and residents, provide clear guidance for responding to government inquiries, and help minimize operational disruption and legal risk.

An ICE Guidance Sheet has been uploaded in Uniguest in the Community Info module under Resources. The document will provide guidance and the steps to take in the unlikely event that an ICE agent should come on campus. The directive is to contact Security Services by dialing 1 or calling 717-624-2161.

Memorial Moments Worship Service

Dr. Jeff Lee, Ext. 5587
Director of Spiritual Care

3:00 pm

Nicarry Meetinghouse

We invite our Cross Keys Village community to gather in the Nicarry Meetinghouse for our Memorial Moments Worship Service, as we remember and give thanks for the lives of those who have passed between March 1, 2026, and June 30, 2026.

This meaningful service that we hold three times each year is an important part of the life of our Village and CKV community. It offers us the opportunity to pause together, honor cherished lives, give thanks for God's faithfulness, and acknowledge the grief that accompanies the loss of dear friends and neighbors. As a community of faith, we are reminded that we do not grieve alone, but with the hope found in Christ.

During the service, Rev. John Hanner, Personal Care Chaplain, will bring a message from God's Word. We will also pray together, read the names of those we are remembering, and lift our voices in several beloved hymns.

Whether you are remembering someone who has passed, supporting a friend, or simply desiring to gather with our CKV family, we warmly invite you to join us.

Travel Tours: Antarctica & the Galapagos

Joe Richard, Ext. 5261

11:00 am

Theater

This month we travel to two places that we have never been – Antarctica and the Galapagos Islands – courtesy of National Geographic travel videos provided by Jean Heindel. First, we view the "other" continent – Antarctica in the summer, perpetually covered in snow, the penguin colonies, and the sea life that live in the waters surrounding the continent. Then it's off to the Galapagos Islands, made famous by Charles Darwin and his theory of evolution by natural selection. See the unique wildlife, including giant tortoises and marine iguanas, where tourism is regulated to protect the delicate ecosystems and wildlife.
