Caregiving, the Next Step

Every 3rd Tuesday

“For better or for worse.” How deeply those words resonate in the minds of caregivers whose spouse needs to transition to a higher level of care due to a health or safety issue.

Memory Support Coordinator Kim Korge started this special support group for villagers whose spouse had transitioned to Health Care or to Personal Care / Brookside. Today the group is open to our neighbors in the greater community facing this situation. While not strictly a grief group, the group also covers loss, and is open to widows and widowers.

For information and to register, call Kim at village extension 5272 of 717-624-5272.
