

# Early Stage Support Group

For persons living with Alzheimer's disease or another related dementia, and their care partners

8 consecutive Mondays\*

March 18 to May 6

1:00 - 3:00pm Encore Room

Memory Support Coordinator Kim Korge and Resident Support Specialist Christina Summers bring you this unique opportunity to connect with others who are facing similar experiences.

*"The 8-week course was the best thing we ever did once he received a diagnosis of dementia. It's a blessing to come here and have these free resources, and we don't even live at Cross Keys Village!"*

The whole group will meet for an educational session during the first hour every week, then divide into two groups (one for persons living with the disease and the other for the care partners) during the second hour. Light refreshments provided.

**Registration is required. Please call Kim by March 8 at village extension 5272 or 717-624-5272.**

\* March 18 & 25, April 1, 8, 15, 22 & 29, and May 6, 2024
