Announcement from CEO Jeff Evans CKV Administration

I am sharing news regarding my upcoming retirement. Effective September 6, 2024, I intend to retire after twelve years as the President/Chief Executive Officer at Cross Keys Village. To ensure a smooth and successful transition, I have provided ample notice for the Board of Directors to conduct a search for my replacement.

Serving this organization as CEO has been the capstone of my long career in senior living. It has been an honor to collaborate with our devoted board of directors, leadership team, team members, and residents deeply committed to fulfilling our mission and supporting each other every day.

With your support, much has been accomplished over the past twelve years at Cross Keys Village. Most importantly, countless lives have been enriched by the mission and ministry of this organization. I count myself blessed to have been a part of it. I am confident that Cross Keys Village is positioned for a very bright future, and I look forward to seeing the organization continue to thrive and grow.

From the bottom of my heart, thank you for the opportunity to serve here.

Sincerely and gratefully,

Jeff Evans, President/CEO

Health Care Center Receives Outstanding Achievement Joy Bodnar, Ext. 5235 Chief Operating Officer

Four inspectors from the Department of Health – Division of Nursing Care Facilities (DOH) arrived to conduct their annual inspection of our nursing home on April 1. After 4 days of rigorous evaluation during this unannounced survey, our Mission Point Health Care Center received **no citations!**

This EXCEPTIONAL outcome is the result of years of hard work and dedication. It is very rare for any community to receive such an outstanding report, especially following a global pandemic in which nursing homes were portrayed so negatively on a national level. The pandemic led to significantly more State and Federal regulations in an already highly-regulated setting.

We celebrate this **first deficiency-free Department of Health - Division of Nursing survey** in our known history. It is wonderful to have the recognition from the governing agency to confirm what we have known for years: that our residents are happy and engaged, and receiving exceptional, attentive care and services by all departments in every area of their lives!

Our entire Mission Point Health Care Team is to be commended. **Kaprice Nelson**, our Health Care Administrator, and **Shannon Gettman**, our Director of Nursing, deserve special mention for their outstanding leadership!

This is a tremendous accomplishment! Please join me in extending congratulations and appreciation to our Health Care Team on this milestone achievement!

What I've Learned

Pastor Linda Titzell, Ext. 5580

Andy Rooney was a radio and television writer who was best known for his weekly broadcast "A Few Minutes with Andy Rooney", a part of the CBS News program 60 Minutes. Here are a few of his "Rooneyisms":

- I've learned.... That the best classroom in the world is at the feet of an elderly person.
- I've learned.... That just one person saying to me, 'You've made my day!' makes my day.
- I've learned.... That being kind is more important than being right.
- I've learned.... That I can always pray for someone when I don't have the strength to help him in some other way.
- I've learned.... That sometimes all a person needs is a hand to hold and a heart to understand.
- I've learned.... That life is like a roll of toilet paper. The closer it gets to the end, the faster it goes.
- I've learned.... That we should be glad God doesn't give us everything we ask for.
- I've learned.... That it's those small daily happenings that make life so spectacular.
- I've learned.... That when you plan to get even with someone, you are only letting that person continue to hurt you.
- I've learned.... That opportunities are never lost; someone will take the ones you miss.
- I've learned.... That when you harbor bitterness, happiness will dock elsewhere.
- I've learned.... That one should keep his words both soft and tender, because tomorrow he may have to eat them.
- I've learned.... That a smile is an inexpensive way to improve your looks.
- I've learned.... That everyone wants to live on top of the mountain, but all the happiness and growth occurs while you're climbing it.
- I've learned.... That the less time I have to work with, the more things I get done.

The Villager Movie Group presents "Secret Cinema", a surprise movie presentation when we give you clues to guess what the movie will be! The movie is finally revealed at showtime!

The clues for this month are...

It is a concert movie. The group was originally named after cartoon characters and had minor chart success. Later under another name, the group won several Grammys and an instrumentalist on one of these also won a Grammy. Among their songs is one about wanting to be a corn flake floating in a bowl taking movies. Another favorite was without rhymes.

Both at the height of their popularity, this group and another widely popular group disbanded the same year.

The Man from Snowy River is an Australian Western drama based on the Banjo Paterson poem of the same name.

After the death of his father, proud young Jim Craig (Tom Burlinson) sets out to become his own man. Taking a job with horse rancher Harrison (Kirk Douglas), Craig is treated poorly by the more experienced cowboys, but wins the heart of the rancher's daughter, Jessica (Sigrid Thornton), when he helps her break a high-strung colt and later saves her life. When he's unfairly blamed for the loss of an expensive horse, Craig fights to restore his honor and prove that he's worthy of Jessica's hand.
