Volunteer Shuttle Drivers for Special Events
Cindy Boyer, Ext. 5227
Volunteer Services

We strive to create opportunities that help residents stay connected, engaged, and involved in community life. Several residents have shared a desire for transportation assistance to special evening and weekend activities held on campus. In response to these requests, we are exploring ways to provide additional shuttle service for special events, and we need your help to make it possible.

We are seeking volunteer shuttle drivers who would be willing to provide transportation on campus for occasional evening and weekend events.

Volunteer shuttle drivers play an important role in ensuring that everyone has the opportunity to participate in the activities they enjoy. Even a few hours of your time can help fellow residents stay connected and engaged.

If you are interested in learning more about becoming a volunteer shuttle driver or are already a registered volunteer shuttle driver, please contact the Volunteer Services Office at 717-624-5227.

2:00 - 4:30 pm **Theater**

Hadestown is a Tony Award-winning musical by Anaïs Mitchell that reimagines two ancient Greek myths through a powerful blend of folk, jazz, blues, and contemporary music. Filmed live on Broadway, the recorded production captures the energy, artistry, and emotional impact that have made Hadestown one of the most celebrated musicals of the 21st century.

The story intertwines the tragic love tale of Orpheus and Eurydice with the relationship between Hades, ruler of the underworld, and his wife Persephone. When Eurydice, driven by hardship and uncertainty, follows Hades to the industrialized underworld known as Hadestown, the gifted musician Orpheus embarks on a courageous journey to bring her home. Guided by hope and the transformative power of music, Orpheus challenges the forces of fear, doubt, and fate itself.

Friday at the Met: "Eugene Onegin"

Nikki Bull, Ext. 5294
Life Enrichment Specialist

2:00 - 4:45 pm **Theater**

Eugene Onegin is a lyric opera in three acts composed by Pyotr Ilyich Tchaikovsky, based on the famous novel in verse by Alexander Pushkin. Set in 19th-century Russia, the opera tells the poignant story of love, regret, and missed opportunities.

The plot centers on Eugene Onegin, a sophisticated but emotionally detached aristocrat, and Tatyana, a young, romantic woman who falls deeply in love with him.

Renowned for its emotionally rich music, memorable arias, and deeply human characters, Eugene Onegin explores themes of unrequited love, personal growth, and the consequences of choices made too late. The opera remains one of Tchaikovsky's most beloved works and a cornerstone of the Russian operatic repertoire.
